*"Unlike other corporate acts,  
Scot Nery is sensational  
in every sense!"*  
- Stefan Haves, Cirque Director

**Yeah, he juggles pancakes...  
But, his best trick is connecting!**

Scot Nery does some of the weirdest, most surprising acts in the comedy circus world. He has made millions laugh around the planet via TV and film. The thing that sets him apart, though, is his rare ability to engage and enliven a live crowd.

Nery excels by bringing his years of experience in diverse venues to every show. Since age 11, Scot has been performing professionally in mega-arenas, punk bars, corporate galas, and church basements. No show is ever stale. Instead, the focus stays where it always should: on the audience.

Whether he's hosting an event using just wit and charisma, or performing his one-of-a-kind hour-long juggling and contortion act, what you get is pure entertainment. Your audiences get the best of years of preparation as well as the best of the present, hilarious moment.
