

SCOT NERY RIDER

1. It is necessary for Scot to have an audience to perform.
2. Headset Microphone (He can bring his own or use yours- preferably not both.) **PLEASE SELECT ONE**
 - ☐ Use Scot's
 - ☐ Use Client's
3. 12 ft ceilings are required unless they are only 10 ft.
4. Stage area should be at least 5 ft x 5 ft.
5. there are audio tracks one of these will be required to play them. **PLEASE SELECT ONE**
 - ☐ cd player
 - ☐ sound board or other system with 1/4" or XLR audio in
 - ☐ mp3 player. if using this option, please download scot's mp3s from <http://scotnery.com/music>
6. Ample sound system with utility for audio tracks and microphone.
7. Scot favors being lighted from the side or the back. Footlights are a plus.
8. No trap door is necessary.
9. There will need to be a light clean up afterwards. (some flour and a few crumbs)
10. available power plug within 20 feet of the stage
11. Dressing Room: table, chair, drinking water, twizzlers

This is just a template for guaranteeing a great show! All 11 points are negotiable. Scot is very flexible. Literally. if any of these are not available, please write a note. Thank you so much!
